Enlighten Your Life

Fiber To The Home

Who is Link3 ?

Link3 Technologies Ltd. started its journey in the year 2000 as a narrow band service provider. With the adoption of new technology it has moved towards high quality broadband services and total ICT solution nationwide. We have steadily moved forward with a lot of innovations and matured into a top tier Broadband ISP and ICT solution provider giving quality services and support to clients of all sizes, from highly demanding multinationals to nationwide banks.

is Link3's new product which will bring our commitment to customer's satisfaction and service quality to Home, Small Office/Home Office (SOHO) and Corporate users.

With you will experience a new lifestyle which will enhance your reach to a world of new technologies.
